Multi-device discounts on Full Cover for Business and Damage Cover for Business

When you purchase 3 or more 'Damage Cover for Business' and/or 'Full Cover for Business' products on your account you will benefit from a discount on each of these products. This offer is only available for these EE products. Other insurance policies that you have with EE such as Clone Phone, Orange Care or on other accounts you may hold with T-Mobile and Orange do not contribute to this offer and are not eligible for this offer.

Please note: We can change the terms or withdraw these discounts at any time. However, you will be given at least 30 days' notice in writing of any changes to these terms.

Discount Table:

Number of qualifying insurance products	Discount applied to each qualifying insurance product
3 to 9	10%
10 to 19	15%
20 or more	20%

The discount will be calculated monthly based on the number of qualifying products on your account before 2.00pm on the day your bill is run and then applied to that bill. Your discount can go up and down depending on the number of qualifying products on your account each month. If the number of qualifying products drops below 3 then you will lose the discount entirely unless you take 3 qualifying products again. The discount is applied to all qualifying products on the account. The discount that has been applied will be stated on your monthly bill.
