What are my obligations?

- You must provide accurate information to us, if you don't you could invalidate your insurance or we might reject a claim.
- The Terms and Conditions only apply to the mobile phone or connected device supplied to you by EE or that we have agreed to insure (or replaced by us after a successful claim), so you must tell us if you change your mobile phone or connected device.
- If you change your Airtime Plan, you must check with EE to see if your insurance is still in place. You can do this by texting COVER to 150 from your EE phone, or calling EE Customer Care on 150 from your EE phone, or 07953 966 250 from any other phone. Calls from an EE Pay As You Go phone cost 25p. If you're calling from another phone, you'll need to check with your service provider what you'll be charged.
- This insurance covers your mobile phone or connected device when it is being used by you, or someone you know and authorise to use it. You must make any authorised user aware of the Terms and Conditions of this insurance.
- An excess is payable for each successful claim which will either be added to your Airtime Plan bill or collected simultaneously when your claim is accepted using an alternative payment method decided by us. Your excess amount will be detailed on your Confirmation of Insurance Cover but could be up to £150 depending on the device insured. Alternatively, for both consumer and small business, see ee.co.uk/excessandcharges

When and how do I pay?

The type of cover, monthly premium and excess amount is shown on your Confirmation of your Insurance Cover. The monthly premium includes any insurance taxes or additional charges which may apply. This will be paid each month and will appear on your monthly Airtime Plan bill. Your first payment will cover the number of days from the cover start date until the end of the first billing period and for all of the next billing period.

When does the cover start and end?

Your cover will start at the point you confirm you would like insurance and will continue for a maximum period of 60 months (five years), unless you or the insurer cancels your insurance. Your cover will also end if you upgrade or cancel your Airtime Plan.

If you upgrade your Airtime Plan and would like to insure your new device, you will need to re-purchase insurance as your cover will not continue.

How do I cancel the contract?

You can cancel your insurance within 14 days of receiving your policy documents and receive a full refund, unless you have made a successful claim. After the 14 day period, you can cancel your insurance from the next bill date whether you have made a successful claim that month or not, providing you give us a minimum of one day's notice.
