EE will use its reasonable endeavours to provide the LEO Service where technically possible within the range of the LEO Satellite(s) that make up the LEO Service, however EE is unable to guarantee a continuous fault-free service and has no obligation to provide any LEO Service outside of the range of LEO Satellite(s) that make up the LEO Service.</p> <p>The Customer acknowledges (i) that the LEO Satellite(s) that make up the LEO Service are subject to upgrades from time to time at the LEO Supplier's discretion, and (ii) that at any time the LEO Satellite(s) that make up the LEO Service may comprise of different technologies. The LEO Service is made available provided the Customer is in the range of the LEO Satellite(s) that make up the LEO Service when trying to use the LEO Service.</p> <p>The quality and availability of the LEO Service is also subject to: a. local geography and topography; b. weather and/or atmospheric conditions; c. degradation, congestion or maintenance requirements of the LEO Satellite(s) that make up the LEO Service; d. other physical or electromagnetic obstructions or interference including the proximity of other Customer devices to the LEO Satellite Equipment; e. quality of any Customer devices to which the LEO Satellite Equipment is connected; f. angle and/or field of view of the LEO Satellite Equipment and g. the compatibility of Equipment and/or Customer Equipment used.</p>

Solution Terms for EE Rapid Site Solution

4. Customer Obligations

4.1	Customer obligations	<p>The Customer will (and where applicable, procure that its Users will):</p> <ol style="list-style-type: none">provide complete and accurate information in the SOR;provide adequate and safe access to their site for the EE engineer to commence installation of the Solution;ensure a Customer Representative is available on the agreed install date to be available to the EE engineer should there be any issues;complete any configuration requirements on their systems before the EE engineer arrives on site to complete the installation;as part of the Equipment Plan, confirm any details or requirements for installing the Router/s and Antenna/s and where the Router/s/Antenna/s need to be physically installed onto existing infrastructure, the Customer shall confirm acceptance of this in the SOR;sign-off that the Solution is in working order before the EE engineer leaves the site, this can be done by the Customer Representative;only use the Rapid Site Solution, or allow it to be used, in accordance with any instructions or authorisation EE may give and for the purpose for which it is designed;provide an equipment room or (where required by EE) outdoor location for mounting the Installed Equipment;where required, facilitate any site surveys and visits that might be required by EE or EE subcontractor in advance of the Solution installation.at its own expense provide electricity from a mains power supply to each item of the Rapid Site Solution needing electricity, in accordance with specifications prescribed by EE from time to time;ensure that a Customer Representative is on Site during any installation or Decommissioning to provide sign off;for the period during which the Customer fails to provide EE with at least one of the above means of access (i.e. no access path whatsoever available), any SLA agreed with the Customer for the Rapid Site Solution is null and void;keep the Rapid Site Solution safe and without risk to health;not move the Rapid Site Solution or any part of it from site(s) without EE written consent and the Customer will pay EE's costs and expenses reasonably incurred as a result of such move or relocation;not use the Solution or any part of it outside of the United Kingdom;not make any alterations or attachments to, or otherwise interfere with, the Rapid Site Solution, nor permit any person (other than a person authorised by EE) to do so, without EE's prior written consent and, if EE gives its consent, agree that any alterations or attachments will become part of the Rapid Site Solution;not sell, charge, assign, transfer or dispose of or part with possession of the Rapid Site Solution or any part of it;not allow any encumbrance or security interest over the EE equipment, nor pledge the credit of EE for the repair of the Rapid Site Solution;not claim to be owner of the Rapid Site Solution and ensure that the owner of the Site(s) will not claim ownership of the Rapid Site Solution, even where the Rapid Site Solution is fixed to the Site(s);obtain appropriate insurance against any damage to or theft or loss of the Rapid Site Solution;in addition to any other rights that EE may have, reimburse EE for any losses, costs or liabilities arising from the Customer's use or misuse of the Rapid Site Solution or where the Rapid Site Solution is damaged, stolen, or lost, except where loss or damage to Rapid Site Solution is a result of fair wear and tear or caused by EE; andwhere EE agrees to provide the LEO Service:<ol style="list-style-type: none">permit, and obtain all required permissions, authorisations and licences to allow, EE to carry out installation works, which may include drilling at a Site, to install the LEO Service as detailed in the SOR. EE cannot and will not be required to provide the LEO Service in the absence of such permissions, authorisations or licences;must not block, interrupt or impede the LEO Satellite Equipment's view of the sky as this may affect performance.
-----	----------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Solution Terms for EE Rapid Site Solution

5. Term and Termination

5.1	Minimum Connection Period	<p>The Minimum Connection Period applies for the Rapid Site Solution as set out in the Commercial Terms or applicable Contract Change Note. The Minimum Connection Period is per Connection and commences upon completion of the installation of the Connection at a Site.</p> <p>Following the expiry of the Minimum Connection Period, EE will continue to provide the Solution and the Customer shall continue to pay the Charges until it is terminated by either party by giving at least 30 days' written notice to the other or otherwise in accordance with the Agreement.</p> <p>The Minimum Connection Period for any LEO Service added to a Connection at a Site after the Service Commencement Date will be co-terminous with the Minimum Connection Period of that Connection at that Site.</p>
5.2	Termination	Subject to clause 5.3 of these Solution Terms, the Customer can terminate the Solution or the LEO Service by giving EE at least 30 days' written notice.
5.3	Termination Charges	<p>Customer shall pay EE the following Termination Charges in accordance with the Agreement upon early termination of this Solution in whole or in part: Subscription Charges multiplied by number of months remaining in the Minimum Connection Period for the Solution, for each Connection terminated.</p> <p>Subscription Charges referred to above shall include all Subscription Charges for the Rapid Site Equipment, Rapid Site Data Service Plan, and any LEO Data Service Plan Add-on for the Solution, for each Connection terminated.</p> <p>In the event of termination of (only) a LEO Service, the following Termination Charges will apply: Subscription Charges for the LEO Service multiplied by the number of months remaining in the Minimum Connection Period.</p>
5.4	Consequences of Termination	<p>On termination of this Solution EE may require the Customer to return all Rapid Site Equipment that it does not have title in to EE at its own expense.</p> <p>Any Rapid Site Equipment that is not returned, or if in EE's reasonable opinion is not returned in good working order, EE reserves the right to charge the Customer List Price for any such Equipment.</p>
5.5	Individual Site Decommissioning	If the Customer no longer requires Rapid Site Equipment at a Customer Site, then it must give EE a minimum of ten (10) working days' notice for Decommissioning of any Rapid Site Equipment.
5.6	Full Site Decommissioning	If the Customer no longer requires the Solution at any of its Sites, it shall notify EE in accordance with clause 5.2 (Termination) of these Solution Terms.
5.7	Indemnity	In the event that under these Solution Terms EE is required to recover Rapid Site Equipment from the Customer Premises and is unable to do so due to a reason outside of EE's reasonable control then (without prejudice to any other rights or remedies EE has against the Customer) the Customer shall indemnify EE in full for any loss EE incurs as a result.

6. Support for Rapid Site Solution

6.1	Technical Support	Technical support for the Rapid Site Solution is set out in the Solution Description.
6.2	Target Response Time ("TRT")	<ol style="list-style-type: none">EE will use reasonable endeavours to rectify faults within the TRT specified in the Rapid Site Solution Description.TRT will be suspended while EE is awaiting the Customer's response or action or that of a Customer's supplier.EE will keep the Customer informed of any changes to the fault response timescales and TRT ends when EE reports the Solution is fully restored.
6.3	Contact details	The Customer's contact details shall be set out in the SOR and any changes to Customer details shall be promptly notified to EE in writing. Contact details for EE are set out in the Solution Description.

Solution Terms for EE Rapid Site Solution

7. Charges

7.1	Installation Charge	There will be a one-off charge per Connection for each Rapid Site Equipment and LEO Satellite Equipment (if any) that is provided to the Customer as part of the Solution.
7.2	Subscription Charges	All Subscription Charges for this Solution, including for the Rapid Site Data Service Plans, will be invoiced monthly in advance and shall commence for all Connections on the Initial Order or Contract Change Note on the earlier of (a) the Service Commencement Date or (b) 90 days from the date of EE's acceptance of the Initial Order or the Contract Change Note.
7.3	Rapid Site Data Service Plans	<p>With the exception of unlimited Rapid Site Data Service Plans, a data spend limit for data Usage Charges can be applied to the Customer's Rapid Site Data Service Plan for each Connection by selecting a Bill Protector spend limit as set out in the Price Guide.</p> <p>Once the Rapid Site Data Service Plan's data allowance is used up, an out of bundle rate per MB, as set out in the Price Guide, will apply to each Connection for any additional data usage, up to the Bill Protector spend limit (where selected), for the Customer's Rapid Site Data Service Plan.</p> <p>Email alerts are sent to the Account Administrator's email address at 80% and 100% of the Bill Protector spend limit (set out in the Price Guide).</p>
7.4	LEO Data Service Plan Add-Ons	<p>The monthly included data period for the LEO Data Service Plan Add-On commences on the first day of each calendar month.</p> <p>Once the monthly included data allowance is used up, a 1MB speed cap is applied per Connection until the first day of the next calendar month, when the next monthly included data period commences.</p> <p>Additional Subscription Charges apply for the LEO Data Service Plan Add-On.</p>
7.5	Spend Caps	Rapid Site Data Service Plans will not be included in any Spend Caps requested by the Customer.
7.6	No Contribution to Minimum Spend	All Charges for this Solution will not contribute towards the Customer's Minimum Spend obligation (if any) unless otherwise stated in the Commercial Terms or a Contract Change Note.
7.7	Additional Charges	<p>Additional Charges may apply. These Charges will be added to the monthly invoice. In addition, the Customer may be charged additional service fees in respect of any corrective or repair work where the fault is not within EE's reasonable control, including but not limited to:</p> <ol style="list-style-type: none">1. Any maintenance, alteration, modification or adjustment has been performed by persons other than EE unless approved in advance by EE;2. Full Site Surveys;3. Rapid Site Equipment has been moved (unless approved in advance by EE);4. There has been failure, interruption or surge in the electrical power to the Rapid Site Equipment;5. The fault arises from cabling or wiring problems on Site;6. The Rapid Site Equipment has been neglected or misused;7. EE is unable to get access or is unreasonably delayed in getting access to the Site;8. The Customer cancels an installation with less than 48 hours' notice;9. The Customer cancels Decommissioning with less than 48 hours' notice.10. The Site is in a remote area including but not limited to; the highlands and islands of Scotland, The Isle of Wight, Northern Ireland.

8. Solution Restrictions

8.1	Insurance	Insurance propositions sold by or provided on behalf of EE, as described at www.ee.co.uk/businessterms , do not apply to this Solution.
-----	-----------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Solution Terms for EE Rapid Site Solution

8.2	Liability	<p>As with any automated service, the Solution may malfunction due to factors beyond the reasonable control of EE or its Sub-contractors (including without limitation due to a fault, delay or disruption in the telecommunications equipment or network availability, mis-use or malfunction of equipment or services.) In these circumstances, EE cannot be held liable for the failure or malfunction of the Solution.</p> <p>The LEO Satellite Equipment requires a clear field of view of the sky in order for the LEO Service to function. EE cannot be held liable for any failure or malfunction of the LEO Service where the LEO Satellite Equipment's field of view of the sky is blocked, impeded or interrupted in any way.</p>
8.3	Roaming	Roaming is not available with this Solution.
8.4	Use of Solution	The Solution can only be used within the United Kingdom.

9. Confidentiality and Data Protection

9.1	Data Protection	<ol style="list-style-type: none">1. The Customer acknowledges and agrees that it is a Data Controller of any Personal Data processed by the Solution and that EE and/or its sub-contractor are authorised (and have sufficient User consent) to enable them to process such Personal Data in order to meet their obligations hereunder.2. The Customer acknowledges and accepts that EE's sub-contractors may contact the Customer Representative directly where necessary for the provision of the Solution for operational or emergency reasons and to provide support.3. The Rapid Site Solution GDPR Processing Annex at www.ee.co.uk/businessterms applies to the provision of this Solution.4. The Customer acknowledges and agrees that when its Users access:<ol style="list-style-type: none">i. the Customer Portal; and/orii. the LEO Portal,each User will accept the Customer Portal Terms and/or the LEO Portal Terms which set out how the Customer Portal Supplier and/or LEO Portal Supplier will process any Personal Data the User provides to the Customer Portal Supplier and/or the LEO Portal Supplier in order to access and use the Customer Portal and/or the LEO Portal.
-----	-----------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------
