

# Solution Service Plan Terms for On-Site Support (Employees Transferring)

## 1. Interpretation

1.1 This Solution is provided in accordance with the Customer's Agreement with EE.

1.2	Solution Description	The 'On-Site Support Solution Description' forms part of these Solution Terms.
1.3	Statement of Requirement	A Statement of Requirement is required for this Solution.

## 2. Definitions

EE Personnel	All those employees of EE or any Sub-contractor who are engaged in the provision of the On-Site Support Services (or relevant part of the On-Site Support Services) from time to time.
Effective Date	The Service Commencement Date as defined in the General Terms and Conditions for Business Customers.
Employee Emoluments	all salaries, wages, commissions, incentive payments, bonuses, all statutory contributions, holiday pay (including payment for accrued but untaken holiday), national insurance contributions, pension and employer insurance contributions made to or on behalf of an employee, taxation (including all income tax deductible under PAYE), expenses and all other emoluments, benefits and outgoings
Employee Liability Information	Such information as is specified in regulation 11(2) of TUPE.
Existing Supplier	Any organisation providing services which are the same as or similar to the On-Site Support Services to the Customer on or prior to the Service Commencement Date.
Incoming Employees	Those employees, listed as incoming employees in the Commercial Terms or applicable Contract Change Note, whose contracts of employment will transfer to EE from the Customer or any Existing Supplier as at the Effective Date.
Losses	Actions, proceedings, losses, damages, awards, orders, liabilities (including any liability to taxation), claims, costs, demands and expenses, including fines, penalties, reasonable legal and other professional fees and expenses.
Outgoing Employees	Those EE Personnel who are assigned to the provision of the On-Site Support Services (or relevant part of the On-Site Support Services) as at any Service Transfer Date.
Relevant Transfer	A relevant transfer for the purposes of TUPE.
Replacement Services	Any services which are identical or substantially similar to any of the On-Site Support Services and which the Customer receives in substitution for any of the On-Site Support Services whether those services are provided by the Customer internally or by any Replacement Supplier. Any reference in this Agreement to the "transfer" of On-Site Support Services is a reference to the termination of expiry of the On-Site Support Services (or any part of them) under this Agreement and the commencement of Replacement Services in their stead.
Replacement Supplier	Any third party supplier of Replacement Services appointed by the Customer from time to time.
Service Transfer Date	The date on which the On-Site Support Services (or any part of the On-Site Support Services), for whatever reason transfer from EE to the Customer or any Replacement Supplier.
On-Site Support Services	The supply of services as detailed in the Solution Description and Customer Expectation Document to the Customer and its Users in accordance with these Solution Terms
TUPE	The Transfer of Undertakings (Protection of Employment) Regulations 2006 (as may be amended from time to time).

## 3. On-Site Support – the Solution

3.1	Eligibility for On-Site Support	Eligibility for On-Site Support is detailed in the EE Price Guide for Large Business.
3.2	Third Party Network	Where the Customer requests EE to manage a part of the Customer's mobile fleet which is Connected to a network other than the EE Network (a "Third Party Network"), the Customer shall procure free access for EE to the Customer's account on the Third Party Network. If adequate access is not obtained, the On-Site Support Services cannot be provided with respect to any Connections on a Third Party Network. Connections on a Third Party Network will be subject to a bespoke level of management, to be defined by EE depending on the level of access to the relevant account(s) the Customer procures for EE, and management tools supported by the Third Party Network provider.
